Important Tips From The Chalk Pros:

- We think the possibilities are endless
- Grid your image ahead of time: Since you are working in such a large space it is easy to get lost in your drawing and become confused about where everything needs to go. Create a grid of your image beforehand to help you stay on track during the competition.
- Guidelines for choosing art for street chalk drawing: The primary goal for choosing an image is the pop: an image, a color scheme, and an idea that is electric. Your work must be original. You will be working in a 3ft by 3ft square so keep that in mind when picking your team's image.
- Use hairspray on your artwork to keep the chalk from smearing or smudging.

Chalk It Up Art Competition! Rules of Entry

1. All artwork submitted must be pre-approved by the team teacher/supervisor/parent and be produced exclusively by the students submitting the artwork.
2. No parent assisted or teacher assisted artwork is allowed.
3. All artwork must be produced within a designated 3ft x 3ft square, using only pastels supplied by The Grand Kids Festival.
4. All student Chalk art will be judged on the day of the Festival by attendees. Voting station will be located in front of windows where drawings are hung.
5. Winners will be announced the Monday following the Festival. Winners will be listed on the Grand Kids Festival Facebook page. The Festival will contact all winners. All prizes will be distributed to students at their school or may be picked up at the Grand 1894 Opera House. Judges decision final.
